### What our customers think of our natural products

*I'm pleased to say that after using Joint Ease for some months, my knee pain has eased and I can walk quicker and further. My dog is pleased about that.*

*Mrs Middleton, Derby*

*Although I don't use Joint and Muscle Ease lotions daily, they are a Godsend for easing the pain of gardening, housework, decorating and other heavy chores. A must for the First-Aid box!*

*Mrs Browse, Cheshire*

Our Product Range

# OUR 100% NATURAL PRODUCT RANGE

At Moss-Grove we are committed to developing 100% natural solutions through our understanding of the incredible healing power of therapeutic essential oils and plant based compounds straight from Mother Nature.

Our natural skin care products won't harm you, or the planet that we live in.

Treat your body to the nourishment and health benefits of nature without any of the damaging effects of chemicals.

## Health Range

**Joint Ease Lotion®**  
A natural alternative that promotes easier movement. Brings back mobility in painful joints and maintains the quality of life and freedom of movement that you deserve.

**Recommended uses:** Reducing joint pain especially in sufferers of Osteo & Rheumatoid Arthritis.

bestseller

**Muscle Ease Lotion**  
Regular application of this heavenly massage balm will melt away the tension that builds up in your muscles through the stresses of daily life and hard labour. Excellent for athletes!

**Recommended uses:** De-stressing overworked muscles, soothing muscular pain and for relaxation.

**Foot Repair Lotion**  
Don't be embarrassed by the odour or itching from your feet! A soothing, and effective naturally antiseptic foot lotion that is ideal for sporty people to keep feet healthy and skin smooth.

**Recommended uses:** Foot odour, itchy feet, cracked heels, athlete's foot & aiding general foot health.

## Men's Range

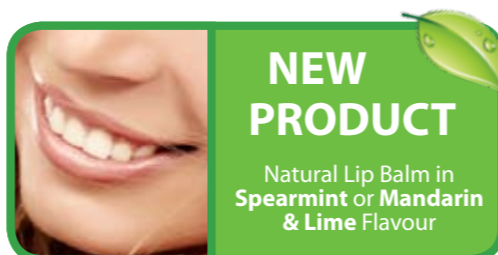

**After Shave Balm**  
A delicious, extremely mild and delicate natural lotion that soothes and hydrates hurt and sensitive skin, especially during shaving which can cause skin to become dry and irritated.

**Recommended uses:** Reduces shaving rash and irritation, smoothing and hydrating normal & dry skin.

**Skin Repair Lotion**  
A woody & masculine rehydrating moisturiser for dry skin. Using natural oils of Lime and Lavender it provides long-lasting moisture and helps protect the skin, leaving it nourished and supple.

**Recommended uses:** Smoothing rough skin/hands, protecting and hydrating you.

## Women's Range

**Rejuvenating Lotion**  
Restore some youth to your face and neck. This natural lotion restores moisture whilst leaving skin and wrinkles visibly softer and smoother. Use before you go to bed for best results.

**Recommended uses:** Softening wrinkles and smoothing skin. Hydrating normal & dry skin.

**Hand & Body Moisturiser**  
Soften, soothe and nourish dry skin with this moisture-rich natural lotion. This intense, non-greasy natural lotion can relieve severely dry and cracked skin on your hands, knees, elbows and feet.

**Recommended uses:** Relieve your body of dry skin, softens and keeps skin supple.

**SkinLikes Natural Deodorant**  
A natural organic deodorant that is safe and effective. Gentle after exfoliating, it contains natural Jasmine oil for soft beautiful under arms with no visible white marks on clothing.

**Recommended uses:** Safe and natural pocket size protection from body odour.

*In aromatherapy, essential oils hold a special position and extreme diversity and effectiveness. Our praise of the healing qualities can be a hundred percent verified given the hundreds of millions of years of trial and error called evolution and is the reason why we include these remarkable ingredients in our hand-made products.*
